## Call for Papers 2021

The **Dr. Karl A. Lamers Peace-Foundation**, founded in December 2018, seeks to encourage young people to think about the great importance of peace and freedom. The future of peace and freedom requires strong dedication and engagement from the younger generation. Both values have decisively shaped the life and work of Prof. h. c. Dr. Karl A. Lamers as a long-time politician. The Dr. Karl A. Lamers Peace-Foundation invites students to submit their essays for the prize awarded in cooperation with the NATO PA. The topic for the 2021 competition is as follows:
