What is Balkan SAYS?

Balkan SAYS – Security Architecture Youth Seminar is a youth oriented international security seminar. Its mission is to connect students and young professionals, to discuss important security topics with distinguished speakers and search for fresh views and new solutions to the most pressing issues of the Balkan region.

The 9th annual Balkan SAYS seminar is looking for aspiring students and young professionals who are eager to gain new knowledge and experience on important security challenges of the Balkan region.

Programme

This year's Balkan SAYS seminar will focus on the following main topics:

- Mediterranean security,
- Crisis management and emergencies in the Balkans,
- Slovenia's EU presidency,
- Energy security challenges,
- NATO 2030 – building a resilient future.
